

Issuer Specific Disclosures of Conflicts of Interest

Please see below a list of issuers covered by VTB Capital Research, with applicable disclosures (as set out in the key below) identified for each such issuer.

*Key to relevant disclosures:

1	The analyst(s) involved in the production of this report, or a member of his/her household, has a personal shareholding or other significant financial interest in the securities of the relevant issuer.
2	The analyst(s) involved in the production of this report has received compensation from the relevant issuer in the 12 months prior to the release date of this research report.
3	VTB Capital or an affiliated company has a shareholding exceeding 1% of the total issued share capital in the relevant issuer.
4	An affiliate of VTB Capital Inc. is a provider of liquidity and/or a market maker in the securities of the relevant issuer at the time this research report was published. An affiliate of VTB Capital Inc. will buy and sell securities of the relevant issuer on a principal basis.
5	VTB Capital has been lead manager or co-lead manager over the previous 12 months of a publicly disclosed offer of securities of the relevant issuer.
6	VTB Capital is party to an agreement (that has been in effect during the previous 12 months) with the relevant issuer relating to the provision of investment banking services.
7	VTB Capital is party to an agreement with the relevant issuer relating to the production of research, although the timing and content of the research is exclusively the preserve of the analyst.
8	The contributing analyst has received or purchased shares of the relevant issuer prior to a public offering of those shares.
9	VTB Capital expects to receive or intends to seek investment banking related compensation from the relevant issuer within the next 3 months.
10	VTB Capital has a significant financial interest in relation to the relevant issuer.
11	VTB Capital is acting as corporate broker.
12	VTB Capital or an affiliated company has a long shareholding position exceeding 0.5% of the total issued share capital in the relevant issuer.
13	VTB Capital or an affiliated company has a short shareholding position exceeding 0.5% of the total issued share capital in the relevant issuer
